Tech Skills

HTML, CSS, JavaScript, React, Next.js, Node.js, TailwindCSS

Languages

- Arabic (Native)
- Proficient English

Education

diploma in programming technology and web development

at TVTC
2019 - 2023

Recent graduate and a passionate web developer with experience in HTML, CSS, and JavaScript. I work with frameworks like React.js and NEXT.js. During my college studies, I developed several projects showcasing my skills. Additionally, I'm proficient in Microsoft Office programs. Always seeking ways to enhance the performance and optimization of my projects.

PROJECTS / OPEN-SOURCE

Portfolio ⬈
Developed my personal website using Next.js and Tailwind CSS, hosted and deployed on Vercel.

Chatin ⬈
Created a project where users can interact with AI using voice commands, and it responds with speech recognition.

SGG > my graduation project ⬈
Designed and implemented a project to assist Steam platform users in easily finding game lists from any profile.

Guestbook ⬈
Engineered a logging system enabling website visitors to leave public comments.

CERTIFICATIONS

1. Multiple certificates of attendance on the SATR platform with more than 60 educational hours.
2. Four certificates accredited by the Social Development Bank.
3. Three attendance certificates approved by the HRDF.
